

ANNOUNCEMENT

County of Lethbridge Spring Road Ban Season

Spring Road Ban season is approaching. Weight reductions for heavy-load vehicles will be imposed during this period. Road Bans make the most of our tax dollars by minimizing road damage and maintenance costs. Oiled and paved roads, hamlets, subdivisions and industrial parks within the County of Lethbridge boundaries will be banned in conjunction with Alberta Transportation highway bans.

The County of Lethbridge advises that Seasonal Road Bans for all County gravel roads will be implemented as follows:

90% axle weight - No sooner than March 1, 2010

Confined feeding operators exporting out of country may apply for exemption under a *Special Land Lock Permit* at the Picture Butte County Shop.

**For further information please contact
County of Lethbridge - Picture Butte Shop (403) 732-5333
